Call for expressions of interest

Funding raising website updates and maintenance

TERMS OF REFERENCE

BirdLife South Africa is one of the largest, most active, non-governmental conservation organisations in South Africa. BirdLife South Africa is the South African Partner of BirdLife International, which operates through partners in over 100 countries worldwide.

BirdLife South Africa is fundraising for a long term conservation project and seeks expressions of interest, for suitably qualified web developers, who can undertake updates to an existing crowdfunding website (www.mousefreemarion.org.za) as well as maintain the site for an extended period.

MOUSE FREE MARION CROWDFUNDING WEBSITE MAINTENANCE, SCOPE OF WORK

1. Update to existing site (deadlines will apply):
 - Build, test and implement additional payment portal pages (incorporating existing payment methods)
 - Update layout of page, image and text
 - Update sponsor list by manually adding data and issuing receipts to funders (through the payment portal system)
2. Site maintenance: content update as necessary (minor weekly and additional updates as required)
3. Management of payment providers
4. Site hosting (currently on Microsoft Azure):
 - The site needs to be moved to a new hosting environment (it is currently on shared infrastructure which does not allow 3rd party updates) and knowledge and experience of this kind of migration is important.
 - Database: Microsoft SQL Server
 - Web Server: Internet Information Services
 - DNS registration and management
 - Registering and installing SSL certificates

ADDITIONAL REQUIREMENTS:

1. Knowledge of c#, asp.net mvc, html, css, javascript, Content Management System knowledge (Ideally Umbraco), Microsoft SQL Server
2. Proven competency in migration of sites to a different/appropriate hosting environment
