The Mouse-Free Marion Project

FLOCK TO MARION NEWSLETTER NO. 19.

11 MARCH 2022

MOUSE-FREE MARION DONATIONS

The Mouse-Free Marion Project Team wishes to extend our grateful thanks again to all of you who contributed so generously to the Sponsor a Hectare initiative during the Flock to Marion voyage. With your help, we are moving closer to ridding Marion Island of its mice and restoring this critical ecosystem.

Our very small team is still processing and reconciling the many payments. We have begun sending out certificates of appreciation and will update the sponsor list on our website in due course. We will also soon begin sending out section 18A tax certificates to the South African residents who have requested them. We apologise for the delay, and kindly ask for your patience.

It would be very helpful if those of you who have paid your pledges, but have not sent proof of payment, forward it to info@mousefreemarion.org.
