FORMS OF ASSESSMENT: Group or individual work, presentation	RESOURCES: Included worksheet/s
LEARNING ACTIVITIES & ASSESSMENT:	
<p>Background</p> <p>This lesson sums up the whole learning programme of the Bateleur. Using the information gained across the eight lessons, divide the learners into eight group, each focussing on one the themes. The learners will need to put together a poster depicting their theme/topic on the Bateleur. Additional research may be required. Each group will present their informative poster to the rest of the class as well as display these in the school to share their learnings with the remainder of the school.</p> <p>Activity:</p> <p>Theme/topic</p> <ol style="list-style-type: none"> 1 – Introduction and identification 2 – More about the Bateleur 3 – Habitat 4 – Habitat happenings 5 – Diet and feeding 6 – Breeding and nesting 7 – Conservation and Tourism value 8 – Cultural value <p>You may give each of the groups copies of the infographics and fact sheets as further support materials.</p>
